The kids club “Planet Trekkers” is structured as a mini-resort for children, which is a fully-supervised and secured zone with ample recreational space for age-appropriate children’s facilities. Children will enjoy many fun-filled and culturally inclined indoor and outdoor activities such as kite making, dress-up, dance, music, turtle release and Indonesian Bahasa language lessons. Children can also enjoy their most favorite gelato which is available around the resort. We know how to please them.
