

## Acknowledgement to Reviewers

The high scientific standards maintained by *Water Science and Technology*, in their papers owe much to the continuing dedication of the journals' reviewers, who give freely of their time and expertise. IWA Publishing is pleased to pay tribute to this contribution by recognizing those who have participated in the review process. Thus, the Editor in Chief, Editors and Associate Editors acknowledge with particular gratitude the following reviewers who have reviewed papers during the period January 2020–December 2020.

Roshanida A Rahman	Sankar Chakma	Ishtiaq Hassan	Simon Jon Mcllroy	Raman Saravanane
